

## Hear what others are saying about “Teeth on the Go” featuring the Tooth Wizard and PlaqueMan.

**“The program was perfect – from the reservation of the show itself and the follow up, everyone involved made this program easy to love! Even the staff that saw the show learned something and said that they have brushed their teeth better since then!”**

-- Student Services Team Leader, Basis Campus Civitas Schools

**“The program really engaged the students and was entertaining, as well as informational. We even had parents commenting that their children came home and told them all about the program!”**

-- Teacher, Marine Elementary School

**“The Delta Dental presentation was awesome! Tooth Wizard and PlaqueMan did a wonderful job! On behalf of the staff and students, thank you!”**

-- School Nurse, Clearview School, Waukegan

**“Your dental education program is very creative, fast-paced and thought-provoking. You quickly captivated our audience, and held their attention for the 30-minute production. It was very well orchestrated and very educational. Hopefully the message and lessons of today will be remembered throughout the students’ lifetime.”**

-- School Nurse, Garfield Elementary School

**“I can’t begin to tell you how thrilled both the students and teachers were with this program. There has been nothing but positive feedback about the content, as well as the very funny, entertaining way that the material was presented. Even today, I had students stop me in the hallway to ask about PlaqueMan or to thank me for the goodie bag. Thank you so much for your involvement with student education.”**

-- School Nurse, Cicero West School
