

Nationwide networks. Smart advantages.

Delta Dental is the largest dental benefits carrier in the country, covering more than one-third of Americans with smart dental insurance. Delta Dental of Illinois, one of 39 independent Delta Dental companies, delivers better network access, which equals more savings for members.

Nationwide access

Our dentist networks are among the largest in the nation with more than 3 out of 4 dentists participating. More than 85% of Delta Dental of Illinois members use a network dentist.

Network stability

Delta Dental of Illinois fosters strong relationships with dentists in Illinois — handling all recruitment locally from our Naperville headquarters.

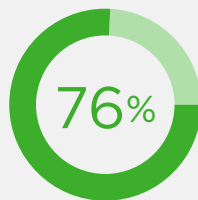

More savings

The Delta Dental PPO™ network provides the industry's best effective discount. That means groups and individuals enjoy the benefits of access to more affordable care.
