

Matching Gift Challenge

The Delta Dental of Illinois Foundation's mission is to improve oral health in Illinois with a focus on children. We work to accomplish this by increasing oral health access, awareness and education. Last year, we raised over \$100,000 to expand our reach and fund programs in Illinois, thanks to individuals, foundations and corporate donors. Ongoing support is vital to help more Illinois children receive access to oral health care and education.

The Community Memorial Foundation (CMF) is offering a unique opportunity to the Delta Dental of Illinois Foundation - a matching challenge grant. CMF will deliver a \$9,500 match on donations from Delta Dental of Illinois Foundation board members on the condition that board members deliver a \$9,500 match on new or increased individual donations to the Foundation. Potential funds can reach \$28,500 or more if grant matching requirements are met.

Matching Gift Challenge

Please consider donating or spreading the word to those committed to improving Illinois children's oral health. This challenge runs through September 30, 2016. **Help us reach our goal today by visiting ddilsite.com/foundation.**

CMF is committed to working with health-based, non-profit organizations to create healthier communities.
